President's Corner

We closed out Fall 2014 semester with a flurry even if it wasn't the snowflake kind. November brought us a wonderful Holiday Traditions banquet. Over 115 sponsors and donors contributed funds, goods and services combined with generous 260 guests to make our major fundraiser of the year a resounding success. Open up our website www.khaggiemoms.org to view the wonderful list and help us to personally thank them every time you see them. Also, we had half of our past club presidents, several past federation officers and current federation officers attend to help us celebrate the 30th Anniversary of our club. Thanks to our wonderful Banquet chairs and their faithful group of Aggie Moms and friends that put this special event together. If you attended and have a picture to share, please email it to us so we can incorporate on the website. Then December rolled in with a record 180 Goody Bags to pack and deliver to Galveston and College Station. I got assigned in the baked goods room this year on packing day and was amazed at the super goodies that were so thoughtfully and lovingly prepared to be included in the bags. And the student feedback has been awesome. I like to think we showed the love to our Aggies at the very moment they needed us. I hope that Fall 2014 was a passing semester for all our Ags.

It is our experience that attendance to our monthly meetings starts dropping off after the Fall semester, but we want to keep everyone interested in coming. We still have a lot in store for us. January will be here before we know it and we are inviting Dads and students to our January meeting. Our January speaker is from the Career Center and who doesn't want to know how to improve our futures! Come see what awesome services the Career Center offers to students and former students looking for internships and their forever job. Hope to see you and your family at our next general meeting!

Happy New Year and Gig'em!

Goody Bags – ORDER NOW!!! Spring Deadline – April 1st

We want to thank each and every one who made the FALL GOODY BAG such a success. We handed out 180 cooler bags with embroidered luggage tags and none of it would have been possible without ALL the help received.

Gig'em to all the moms who came to pack the bags; provided the ENORMOUS amount of baked goods; calculated how many of the delicious baked goods each bag should have (a huge job!); cut and tied beautiful tulle bows; loaded the bags in cars; drove our precious cargo to our campuses

AND for all those that were able to help hand out the bags, it was such a fun day and each of our Aggie students were so gracious.

Thanks again and Gig'em
